How to play Basic Controls

Other ideas for the classroom

- Make a Blue-bot trail with chalk and draw a flower at the end of the trail. Make the Blue-bot follow the trail.
- Make a number line and have the Blue-bot travel the number line to add and subtract numbers.
- Build a Blue-bot maze with blocks and help the Blue-bot find the way through the maze
- Create an alphabet mat and have the Blue-bot spell out a spelling word with a pause on each letter
- Create a mat with a scene from a class book. Dress up your Blue-bot and make it act out a role in the story.

Step 2: Can you work as a team to make the Blue-bots dance together?
